WORK EXPERIENCE

Gas Delivery Worker

Tulsk Fuels LTD

📅 Jan 2022– June 2023

📍 Roscommon, Ireland

Tulsk Fuels Ltd is a trusted agent of Flo Gas, specializing in nationwide gas cylinder distribution and services.

My role included:

- Nationwide gas cylinder delivery with a focus on prompt service and customer satisfaction.
- Conducting daily vehicle preventative maintenance checks.
- Efficiently organizing orders before departure for timely deliveries.
- Maintaining a clean and organized yard for streamlined operations.

Construction Worker

Raymond Kerr Construction

📅 June 2019 – December 2021

📍 Toronto, Canada

Raymond Kerr Construction is a reputable mid-sized construction company based in Toronto, ON, Canada, specializing in diverse construction projects across the region.

My role included:

- Supported tradespeople on diverse construction sites across the city.
- Safely and efficiently managed heavy construction materials and operated power tools.
- Executed building and wall demolition tasks.
- Conducted maintenance, repairs, and upkeep of machinery and equipment.
- Contributed to various construction tasks on-site, demonstrating versatility and adaptability.

Additional Experience

Various part-time jobs

📅 2019 – June 2019

📍 Roscommon, Ireland

PROJECTS

Gym Website

Waterside Gym Website | [View GitHub Code](#)

📅 June 2023- Aug 2023

- Developed a responsive gym website using XHTML, CSS, and JSF technologies.
- Enabled user-friendly navigation and interactive features with Java maven projects.
- Collaborated within a team of 4, utilizing Git for code management.
- Ensured cross-browser compatibility and optimized performance.
- Deployed the website successfully for online access.
- Provided post-launch support and maintenance.
